An Invitation

We invite all interested in Shorthorn cattle to be with us on sale day, November 15, 1945.

The dispersion of this herd brings to a close a constant and determined effort to produce better Shorthorns that has extended over a period of 48 years. The cow Mulberry Maid A and her descendants, listed in this catalog, trace directly to a cow purchased by my father, H. L. Beresford, in 1897.

A forced consideration for my health is the only reason for this dispersion.

Terms and Conditions of Sale

TERMS — The terms of this sale are cash unless other arrangements are made with the clerk. The cattle will be at buyer's risk as soon as bid off, and will be loaded on car or truck according to purchaser's instructions.

GUARANTEE — This being a complete dispersion, there is no further guarantee given. All but two of the females of breeding age will be showing heavy with calf, or have calves at foot. There will be no doubtful animals offered. We have followed a careful program of calfhood vaccination for the past five years. Health certificates will be furnished to allow shipment of these cattle wherever they may go.

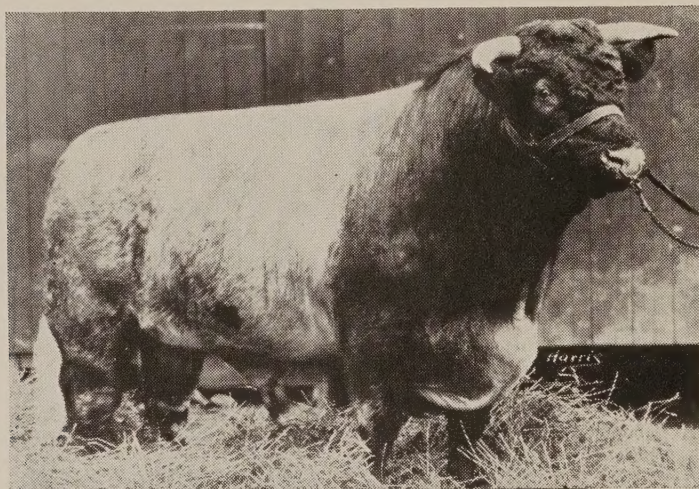

PEDIGREE CERTIFICATES — A certificate of registry and a transfer will be furnished with each lot sold, and an application for registry for each calf at foot and for each unborn calf.

SPECIAL ATTENTION — We wish to call to your attention a special group of heifers we had selected to keep in the herd. These heifers were mated to that outstanding son of Edellyn Royal Leader, M. F. Royal Leader, purchased by Urice Bros. of Vinton in last year's congress sale. Urice Bros. are selling two lots with us. One of these cows will also carry the service of M. F. Royal Leader.

Present plans are that they will have this bull at the farm on sale day for your inspection.

AUCTIONEERS — J. F. Halsey, Des Moines; Tony Schmitz, Van Horn.

CLERK — Chas. Barron, State Bank, Vinton.

Helfred Clear The Way — Here is one of the best sons of Fascinator, the bull that did so much for so long in keeping the Helfred herd among the tops. He is gentle, sure, and in good health. He is a better bull than his picture indicates, as it was taken about August 1st, and he was a little thin.

His sons and daughters are his best recommendation. He sired the top Shorthorn and the Reserve Champion steer in this year's Benton County 4-H calf show, and there are as good prospects among the calves offered here.
